

## **AMI 750™ Information:**

The AMI 750™ Acoustic Meridian Intelligence™ device is manufactured by Cymatics Technologies and is sold to licensed healthcare professionals OR private owners for \$4,595. The AMI 750™ was nominated for the Thomas Edison Award for Innovation in the Fields of Medicine and Science.

The AMI 750™ arrives with five channels to address 95% of all common health challenges: Stress Relief, Pain Relief--MuscoSkeletal, Vitality, Pain Relief—Inflammatory and Anti-Aging. There are an additional five "Body Balancing" channels included. If further assistance is needed, you will be partnered with one of our advanced therapists for consultation.

The AMI 750™ device does not diagnose, treat, cure or prevent disease. It is registered with the FDA as a Class 1 device and is successful in relieving pain and stress. While the device is user friendly, it requires skill and education. Your purchase of the device includes three one hour consultations with an advanced Cymatherapy® practitioner.

If you decide to become a practitioner, you will attend a Cymatherapy® Level One Basics training that educates you on the additional components for certification. Private owners are welcome, but not required, to attend the training to learn more. Please see more details at [www.CymaTechnologies.com/training](http://www.CymaTechnologies.com/training) .

If you are ready to place an order, please complete the ORDER / WAIVER form. An invoice will be mailed to you upon which you may submit payment with credit card or check. Your unit will ship when we have received payment and your signature on the appropriate paperwork, which includes a waiver for at-home use.

All shipments originate in Atlanta, GA, USA, and are shipped UPS Ground delivery.
