

AMI 750 Information

The AMI 750 Acoustic Meridian Intelligence™ device is manufactured by Cyma Technologies and is sold to licensed healthcare professionals OR private owners for \$4,595. The AMI 750 was nominated for the Thomas Edison Award for Innovation in the Fields of Medicine and Science.

The AMI 750 arrives with ten channels to address 95% of all common health challenges: Stress Relief, Pain Relief--MuscoSkeletal, Vitality, Pain Relief—Inflammatory and Anti-Aging. There are an additional five "Body Balancing" channels included.

If further assistance is needed, you will be partnered with one of our advanced therapists for consultation.

The AMI 750 device does not diagnose, treat, cure or prevent disease. It is registered with the FDA as a Class 1 device and is successful in relieving pain and stress. While the device is user friendly, it requires skill and education. Your purchase of the device includes three hours of free consultation with an advanced Cymatherapy® practitioner.

If you decide to become a practitioner, Cyma Technologies offers **Cymatherapy Level One Basics** online training that educates you on the additional components for certification. Please see more details at www.CymaTechnologies.com/training. Private owners are welcome, but not required, to complete the online training to learn more. For those who do not wish to embark upon a certification but want more information on the AMI 750 and each of the Channels, we recommend the PRIVATE OWNER PROGRAMS available in the Store at www.CymaTechnologies.com

If you are ready to place an order, please complete the ORDER / WAIVER form. An invoice will be mailed to you upon which time you may submit payment with credit card or check. Your unit will ship when we have received payment and your signature on the appropriate paperwork, which includes a waiver for at-home use.

All shipments originate in Augusta, GA, USA, and are shipped UPS Ground delivery.

Shipping costs for orders with shipping addresses outside the 48 contiguous USA states will be calculated and appear on your invoice. Please note that all overseas customers are responsible for customs fees and duties per their country's laws. This following information may be of help to you in determining the customs fees for your country. The AMI 750 is listed as "electric massage equipment" with the harmonized code: 9019.10.2000.

Financing

If you are purchasing as a personal owner, we recommend a "personal credit card" offered through Comerica Bank, which offers a 12+ month loan at no interest. There are no application fees or annual fees. Cyma Technologies does not have any affiliation with Comerica. We have just found that many of our purchasers like this option. **Click** below to apply for the Platinum card.

Policies

We offer a 30 day money back guarantee. If within the first 30 days of ownership you decide the AMI 750 is not for you, we refund your purchase price, minus a 15% restocking fee and cost of shipping.

Warranty

The AMI 750 comes with a one-year warranty for all parts and labor, with one exception. The gel pads come with a ninety-day warranty.

Depending on the use of your device you will need to replace your gel pads. Busy practices will need to replace the gel pads approximately every 6 -12 months. Private owners will need to replace their gel pads between 12 and 24 months. Replacement gel pads are available from Cyma Technologies for \$50/pair.

We invite you to enroll in our monthly newsletter. You will find this option at www.CymaTechnologies.com
