

AMI Acoustic Meridian Intelligence Products Ordering Information

The AMI 750 is no longer available for purchase.

We have two new products—the **AMI 500** and the **AMI 850**—which will be available for shipping beginning November 15th, 2022.

Reserving A Device

As you complete the Order Form, to reserve one of the new AMI devices, indicate which one(s) you would like to order by checking the appropriate box.

A \$500 deposit is required to reserve either the **AMI 500** or the **AMI 850**.

To reserve the **Ultimate Sound Package**, a deposit for \$1,000 is required. **The Ultimate Sound Package includes the AMI 500 and AMI 850.**

Our bookkeeper will email you an invoice for the correct amount, depending on the device(s) you order. This amount will be applied to the purchase price when your device ships. In the event you decide to withdraw from the reservation list before the shipping date, the deposit is refundable.

Excellence in product and customer support:

Cyma Technologies is committed to provide you with the highest quality AMI—Acoustic Meridian Intelligence sound therapy devices available. The patented AMI devices are manufactured by Cyma Technologies and are sold to licensed healthcare professionals and private owners. Our first AMI device—the 750, was nominated for the Thomas Edison Award for Innovation in the Fields of Medicine and Science. All evolutions of AMI devices are built upon this foundation.

Our AMI devices do not diagnose, treat, cure or prevent disease. These instruments are considered to be FDA Class I devices that are successful in relieving pain and stress. The devices are user-friendly, but require skill and instruction. Your purchase of the device includes a detailed owner's manual, educational videos and three free hours of consultation with an advanced level therapist from Cyma Technologies.

Shipping

All shipments originate in Augusta, GA, USA, and are shipped UPS Ground delivery. Shipping costs for orders with shipping addresses outside the 48 contiguous USA states will be calculated and appear on your invoice.

Please note that all overseas customers are responsible for custom fees and duties per their country's laws. The following information may be of help to you in determining the custom fees in your country: The AMI products are listed as "electric massage equipment," with the harmonized tariff code: 9019.10.2000.

Financing

If you are purchasing as a private owner, we recommend a "personal credit card," available through US Bank. There are **no application fees, no annual fees and no interest for 20 billing cycles.** Cyma

Technologies has no affiliation with USBank. We have found that many of our purchasers like this option. Click below for more information and to apply for the Platinum card.

Return Policy

We offer a 30-day money back guarantee. If within the first 30 days of ownership you decide to return your AMI device, we refund your purchase price, minus a 15% restocking fee and cost of shipping.

Warranty

The AMI devices come with a one-year warranty for all parts and labor, with one exception. Those products which use gel pads have a 90-day warranty for them specifically. Replacement gel pads are available through Cyma Technologies. Replacement power cords are also available in our website store.
